Important information about your health plan 92

You can get this information for free in other formats, such as large print, braille or audio. Call our toll-free number at 1 (800) 660-4672. Your request for the provider directory in an accessible format or language will be applied on a standing basis unless you request otherwise.

Section 1 Introduction

This directory provides a list of HMSA Akamai Advantage network routine vision providers. To get detailed information about your health plan benefits, please see your *Evidence of Coverage*. You can find a complete directory of our plan's entire provider network online or request a hard copy at hmsa.com/advantage. These providers are effective 06/01/2025. To see if your HMSA Akamai Advantage plan has routine vision benefits, check your *Evidence of Coverage*.

Network Providers

As of 06/01/2025, our network includes 999 routine vision providers. Some routine vision network providers may have been added or removed from our network after this directory was printed. We do not guarantee that each provider is still accepting new members. The network providers listed in this directory have agreed to provide you with your routine vision services. You may go to any of our network providers listed in this directory. If you've been going to a network provider, you're not required to continue going to that same provider. In some cases, you may get covered services from out-of-network providers. However, your out-of-pocket expenses may cost more. Other providers are available in our network.

Out-of-area and Emergency Benefits

With the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers. If you go to an out-of-network provider and that provider sends you a bill, send HMSA your request for payment with the bill and documentation of your payment. Refer to your *Evidence of Coverage* for more information.

Out-of-network/noncontracted providers are under no obligation to treat HMSA Akamai Advantage members except in emergency situations. For a decision about if we'll cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Relations number on the back of this booklet or see your *Evidence of Coverage* for more information, including the cost sharing that applies to out-of-network services.
