Introduction

The State of Tennessee Group Insurance Program offers two vision insurance options, Basic and Expanded. Both plans provide different levels of benefits towards an eye exam for enrolled members and benefits towards eyeglasses or contacts. The differences for in-network benefits are summarized below, but please refer to the summary of benefit pages for full details of each plan.

Basic: The Basic Plan covers the eye exam in full after a \$10 copay. In addition the Basic Plan covers the frame allowance for the first \$105 of the frame cost and 20% off the cost above the allowance. Or, you can elect to use the \$105 allowance towards contact lenses. Please note that the exam and lens frequency is once every calendar year and once every two calendar years for frames.

Expanded: The Expanded Plan covers the eye exam in full with no copay. The frame allowance is \$150 for the Expanded Plan every calendar year and 20% off the cost above the allowance. The contact lens benefit for the expanded plan is \$150 towards contacts. In addition, the Expanded Plan has several additional discounts or fixed costs on certain add ons. For example, progressive lenses (no-line bifocals) have fixed copays depending on the level that you and your provider select.

Please note, additional discounts above the plan coverage are not available with all providers.

EyeMed Customer Service can be contacted at: 1.855.779.5046 Monday through Friday 7 a.m. - 10 p.m. CT and Sunday 10 a.m. - 7 p.m. CT. Additional information on the vision plans may also be found on the EyeMed website at: eyemed.com/stateoftn.

At this time, we do not coordinate benefits so all claims will be processed as primary. Our goal is to provide maximum benefit to our members. Because of this, we're able to simplify the administrative process for our network providers and offer faster turnaround time on our claims processing for members.

To be eligible for coverage, an employee must be employed by an agency that is participating in the State of Tennessee Voluntary Group Vision Insurance Program. Employees and Dependents of Employees ARE NOT required to participate in a state-sponsored group basic health plan as a condition of participating in the State Group Vision Insurance Program. However, Retirees and Dependents of Retirees ARE required to participate in a state-sponsored group basic health plan as a condition of participating in the State Group Vision Insurance Program. An Employee or Retiree's participation in the State Group Vision Insurance Program is required for participation of eligible Dependents, EXCEPT when Dependents are allowed to remain enrolled in a state-sponsored group basic health plan after the Retiree is no longer eligible for a state-sponsored group basic health plan and the State Group Vision Insurance Program due to reaching the age for Medicare or following the Retiree's death. Participation by those enrolled in the State Group Vision Insurance Program is on a calendar year basis, and enrollment may only be dropped by the participants during the Annual Enrollment Period for the beginning of the next calendar year or due to an acquire event or loss of eligibility for other coverage event. Only Members who lose eligibility under this plan or become newly eligible for other coverage may cancel.

State of Tennessee – Basic Plan

Effective January 2025

SUMMARY OF BENEFITS

VISION CARE SERVICES	IN-NETWORK MEMBER COST	OUT-OF-NETWORK MEMBER REIMBURSEMENT

*Additional discounts above the plan coverage are not available with all providers.

EyeMed reserves the right to make changes to the products available on each tier. All providers are not required to carry all brands on all tiers. For current listing of brands by tier, call 866.939.3633. No benefits will be paid for services or materials connected with or charges arising from: medical or surgical treatment, services or supplies for the treatment of the eye, eyes or supporting structures; Refraction, when not provided as part of a Comprehensive Eye Examination; services provided as a result of any Workers' Compensation law, or similar legislation, or required by any governmental agency or program whether federal, state or subdivisions thereof; orthoptic or vision training, subnormal vision aids and any associated supplemental testing; Aniseikonic lenses; any Vision Examination or any corrective Vision Materials required by a Policyholder as a condition of employment; safety eyewear; solutions, cleaning products or frame cases; non-prescription sunglasses; plano (non-prescription) lenses; plano (non-prescription) contact lenses; two pair of glasses in lieu of bifocals; electronic vision devices; services rendered after the date an Insured Person ceases to be covered under the Policy, except when Vision Materials ordered before coverage ended are delivered, and the services rendered to the Insured Person are within 31 days from the date of such order; or lost or broken lenses, frames, glasses, or contact lenses that are replaced before the next Benefit Frequency when Vision Materials would next become available. Fees charged by a Provider for services other than a covered benefit and any local, state or Federal taxes must be paid in full by the Insured Person to the Provider. Such fees, taxes or materials are not covered under the Policy. Allowances provide no remaining balance for future use within the same Benefit Frequency. Some provisions, benefits, exclusions or limitations listed herein may vary by state. Plan discounts cannot be combined with any other discounts or promotional offers. In certain states members may be required to pay the full retail rate and not the negotiated discount rate with certain participating providers. Please see online provider locator to determine which participating providers have agreed to the discounted rate. Underwritten by Fidelity Security Life Insurance Company of Kansas City, Missouri, Policy number VC-19, form number M-9083, or Policy number VC-146, form number M-9184, in New York underwritten by Fidelity Security Life Insurance Company of New York, Policy Number VCN-1, form number MN-1, or Policy Number VCN-19, form number MN-28. This is a snapshot of your benefits. The Certificate of Insurance is on file with your employer.

Got questions? We've got answers.

HOW DO I USE MY BENEFITS?

It's a lot easier than other kinds of benefits you might have. Just choose an in-network eye doctor from the Enhanced Provider Search on eyemed.com/stateoftn, schedule your visit and go in for care or eyewear. You don't even need your ID card if you don't have it – just give them your name. When you stay in-network, we'll handle all the paperwork.

CAN I VIEW MY EYEMED BENEFITS ONLINE?

Yes, you can view your benefits and do a lot more on our secure member portal – such as print an ID card, check the status of a claim, locate a provider and download an explanation of benefits.

HOW DO I GET ON-THE-GO ACCESS?

Download the EyeMed Members App (App Store or Google Play) to get the same features, plus the ability to save a vision prescription, set an eye exam reminder or save your ID card to your wallet (iOS only).

HOW DO I SUBMIT A CLAIM?

When you see one of our in-network providers, we take care of all the paperwork. If you visit an out-of-network provider, you'll need to pay during the visit and submit a claim form online for reimbursement. Remember to upload an itemized paid receipt with your name included.

WILL I GET AN ID CARD? HOW DO I ORDER REPLACEMENTS OR EXTRA CARDS?

We send two ID cards in the subscriber's name when you join EyeMed, but you don't have to have it when you visit your eye doctor. If you lose your card or need extras for your family, you can print a replacement on the member portal. Or, to pull up a digital version anytime, anywhere, download the EyeMed Members App through the App Store or Google Play.

HOW DO I FIND AN EYE DOCTOR IN THE NETWORK?

Our Enhanced Provider Search on eyemed.com/stateoftn has more than 100,000 network providers to choose from. You can filter your search to find ones near you that have the frame brands, hours and services you want most.

DOES EYEMED OFFER ANY ADDITIONAL DISCOUNTS?

We sure do. At participating in-network providers, members get extra savings like 40% off complete additional pair of eyeglasses or 20% off non-prescription sunglasses and accessories. (These discounts are for in-network providers only who have agreed to accept these additional discounts. Benefits may not be combined with any discount, promotional offering, or other group benefit plans. Additional limitations and exclusions may apply. Log in to member portal for full details.)

Don't like wearing glasses or contacts? No problem. We also offer discounts on LASIK laser vision correction. Learn more about LASIK or call 1.800.988.4221 to find a US Laser Network provider.

HOW CAN I SEE INFORMATION ABOUT MY DEPENDENTS?

If they're under the age of 18, their information will be listed with yours on the member portal. But, due to privacy rules, dependents 18 or older won't be listed there. They'll need to register for their own account.

CAN I USE MY BENEFITS ONLINE?

Absolutely. Apply EyeMed benefits in your shopping cart at many popular online eyewear stores, with free shipping, free returns and no paperwork. Visit any of our online network options:

- lenscrafters.com
- glasses.com
- targetoptical.com
- contactsdirect.com
- ray-ban.com

CAN I USE FSA FUNDS AFTER MY EYEMED BENEFIT IS APPLIED?

Sure. A flexible spending account is great for paying for a variety of health-related out-of-pocket expenses, including vision care. You can use FSA money for the eye exam copay, prescription glasses or contact lenses, supplies such as contact lens solution, even LASIK surgery. Vision care out-of-pocket costs are also eligible for health savings account reimbursement, though these expenses don't count toward your annual deductible. If you are enrolled in a consumer-driven health plan, or CDHP, you can't have a general purpose health care FSA, but you may have access to and be able to enroll a limited purpose FSA which is just for vision and/or dental expenses. You may use the funds in your limited purpose FSA after your EyeMed benefit is applied as well, for copayments or coinsurance.

I DON'T WEAR GLASSES AND CAN SEE FINE. WHY DO I NEED AN EYE EXAM?

Getting an eye exam isn't just about needing glasses. It's also about your health. An eye exam can detect eye health problems like glaucoma or cataracts, but it may also help identify signs of serious diseases, like high blood pressure, diabetes and high cholesterol – just to name a few.¹ We talk about the vision/health link a lot at eyesiteonwellness.com.

AT WHAT AGE SHOULD MY CHILD FIRST VISIT THE EYE DOCTOR?

The American Optometric Association recommends a first eye exam with an optometrist or ophthalmologist between 6 months and 1 year of age.² The doctor may check for things like nearsightedness, farsightedness, astigmatism, amblyopia (or “lazy eye”), proper eye movement and eye alignment and how the eye reacts to light and darkness. They also recommend an exam between the ages of 3 and 5, and every year after that. During these exams, many doctors may do a comprehensive eye exam and vision screening tests, depending on the child’s vision needs. To learn more about your child’s vision, visit eyesiteonwellness.com.

MY CHILD GETS A VISION SCREENING AT SCHOOL. IS THERE STILL A NEED FOR AN EYE EXAM?

A vision screening does not take the place of an eye exam. Generally, they check a child’s ability to see far away and check for color blindness, but a comprehensive eye exam evaluates the entire structure of the eye and also allows the doctor to view nerves and blood vessels, providing a glimpse into a child’s overall health. Eye doctors may also check for farsightedness, which is more common in younger children.³

HOW OFTEN SHOULD I GET AN EYE EXAM?

Vision changes can happen slowly – you may not even notice it. Annual eye exams are a good rule of thumb unless your doctor suggests more frequent checks; we suggest making it part of your regular preventive care routine.
